ARTICLE III

ACCOUNTS, PAYMENTS AND INVESTMENTS

3.1 Accounts.

3.1.1 The Trustee may, from time to time, create additional funds, reserves and accounts within the Trust as he or she may deem necessary, prudent or useful in order to provide for the payment of Trust expenses, Claims and Demands or otherwise to effectuate the purposes of the Trust and may, with respect to any such fund, reserve or account, restrict the use of monies therein. The Trustee shall establish the accounts set forth in Exhibit B, Asbestos Bodily Injury Claims Resolution Procedures, Article 6, Section 6.1, for the payment of Claims and Demands, subject to amendment as provided for in this Agreement or in the Asbestos Bodily Injury Claims Resolution Procedures.

would make payment feasible.

3.2.4 In making any estimates, judgments or decisions concerning the future availability of cash, amounts to be paid, and timing of payments, the judgment and decisions of the Trustee shall be final and conclusive, subject to the TAC's consent in 3.2.3 above, and not subject to review.

3.3.7 The Trust shall not acquire nor hold any certificates of deposit unless all publicly held long-term debt securities, if any, of the financial institution issuing the certificate of deposit and the holding company, if any, of which such financial institution is a subsidiary, meet the standards set forth in Section 3.3.2, above.

3.3.8 The Trust shall not acquire nor hold any repurchase obligations unless, in the opinion of the Trustee, they are adequately collateralized.
